

18 Belclaire Drive Westbrook QLD

4 2 4

If you are looking for the unique property then put this one on the list. Set on the higher side of the street, with filtered views over the southern downs. This recently renovated 4-bedroom residential home is one that will tick all the boxes. Private modern and has a shed.

This property is simply stunning and has a lot of space and room for any family or the retiree who has the family over to stay. The owners have outgrown the home and are sad to leave their beautiful home in the peaceful country township of Westbrook.

The Kitchen has been recently transformed and with Caesar stone benchtop with the gas cooktop you will be cooking up a storm in no time for family or guests. With ample bench space and breakfast bar which flows seamlessly to the family room, dining, and outdoor undercover entertainment area.

This family home is a clever design and with all 4
